

Day 1

date	Time	hrs	Topics	Presentator	Appropriate target
18-Dec	8:30-10:00am	1:30	1. Presentation about technology in math education - Why technology is important and useful to improve Math education - Perspectives on educational use of calculators - Benefit of calculators in particular	Mr.Barry Kissane	All level
	10:00-10:15am		break		
	10:15-12:00am	1:45	2. How to use Scientific Calculator in basic subject- part1 - GCD, LCM and Prime Number - Integer and order of operation (Positive and Negative integers) - Decimal and Fraction	Mr.Barry Kissane	All level
	12:00-13:00pm		Lunch break		
	13:00 -14:45pm	1:45	3. How to use Scientific Calculator in Basic subject-part2 - Powers and Root - Rounding and estimation	Mr.Barry Kissane	All level
	14:45-15:00pm		break		
	15:00-16:30pm	1:30	4. How to use Scientific Calculator in advance subject-part1 -Real number - properties, absolute and Linear Equation (1 and 2 variables) -Relations and Functions	Mr.Barry Kissane	All level
	16:30-17:00pm	00:30	5. Questions and Summary	All participants	

Day 2

date	Time	hrs	Topics	Presentator	Appropriate target
19-Dec	9:00-12:00pm	3:00	1. How to use Scientific Calculator in advance subject - Part 2 -Trigonometric functions, Trigonometric equation, Law of sine and Law of cosine - Exponential Function - Statistics (Mean, Median, Mode , Standard deviation and linear regression)	Mr.Barry Kissane	All level
	12:00-13:15pm		Lunch break		
	13:15-14:45pm	1:30	2. How to conduct a Scientific calculator workshop - How to prepare materials - How to use material effectively	Mr.Barry Kissane	All level
	14:45-15:00pm		break		
	15:00-16:30pm	1:30	3. How to use 991EX Classwiz Emulator Software - Why classwiz emulator was important for trainer - Benefit of emulator software in particular (install Emulator software to teacher's laptop)	Mr.Barry Kissane	All level
	16:30-17:00pm	0:30	4. Questions and Summary	All participants	

Day 3

date	Time	hrs	Topics	Presentator	Appropriate target
20-Dec	9:00-12:00pm	3:00	1. How to prepare lesson plan with Scientific calculator	Mr.Barry Kissane	All level
	12:00-13:15pm		Lunch break		
	13:15-14:30pm	1:15	2. Questions and Summary Finished the workshop	Mr.Barry Kissane	All level
